Dear Members,

In order that all members are clearly informed of how the club handles its competitions...

Winners, Runners Up and the Ball Run Down For all Winners, Runners Up and anyone who appears in the Ball Run Down, these values are included in a Spreadsheet and will form the basis to advise members coming into the new year as to what credit they have accumulated for the past year. Depending on how each member pays their annual fees

will decide on how they collect these credits.

Most members who pay their fees annually are able to deduct the value of their credits and pay a net value to the club for the New Year.

For those members that have opted to pay their fees monthly they can claim their credits in the form of a voucher, normally Drummond, Woolworths, Coles and the like.

Your credit value will be written on the letter that is given to all members in late August to early September.

The Annual Credits run from September to August.

Nearest The Pins

For all Club Competition- Nearest the Pin's... these are to be collected as Balls, a record of all competitions are kept in the Club House. Balls 'MUST' be collected within 60 Days of the competition in question. Anyone not collecting your balls within this time frame forfeit the balls to the Club.

Thankyou for your understanding in these matters.

Please make your round enjoyable for yourself and others.

Keep the round moving by being prepared to hit your shot when it is your turn.

Play ready golf – first one ready hits.

Always try to keep pace with the group ahead of you. If space opens in front of you, allow a faster group to play through.

Do not spend more than 3 minutes looking for a lost ball. If there is a group behind you ready to play and you are playing slower, consider letting the group behind play through.

Always leave the putting green as soon as your group has finished putting

Please be kind to our Course

Observe cart rules and use cart paths where provided.

Keep carts away from greens and hazards.

Take a sand bucket and fill your divots on the fairways.

Always rake sand bunkers after hitting to erase your footprints and any damage to the area where your ball was.

Please stay safe on our course

Do not hit the ball until you are certain that the group ahead of you is out of range.

If your ball appears headed toward another player or another group, give them a warning by yelling out, "Fore!" (Internationally recognized alert).

If you hear that warning please take precautions as you could be in danger of an incoming ball.

Please have an enjoyable round and come back soon to the friendliest club.

2023 FIXTURES (All events are for both Men and Ladies unless otherwise specified)

SANDGATE GOLF CLUB - CONDITIONS OF PLAY

Autumn Cup: Best 3 netts combined from 4 rounds. Daily Handicaps apply.

Sandgate Cup: Sandgate Cup, 18 Hole Stroke event with the Winner being the Player with the Best Nett Score.

In the event of a tie, an 18 hole playoff will decide the outcome. This will be played ASAP and negotiated by the Match Committee.

Should there still be a tie, there will then be a sudden death playoff commencing with holes 1, 2, 3 etc until a Winner has been declared.

Foursomes: (Mens, Ladies & Mixed) 27 holes. Alternate tee play on holes 1 - 18. N.B. Compulsory tee change on hole 19. In the event of a tie, a 3 hole-playoff over 7, 8 and 9. Sudden death after that, holes 16, 17, 18, 7, 8, 9 etc.

President's Cup: President's Cup Qualifying Round. The best 8 scores from the AVAILABLE ladies and gentlemen, will qualify and be selected to play Handicap Match play. The winners will progress to the next round.

Handicap & the Match Index - The lower marker plays off scratch and the other will play off the difference in handicaps. N.B. Ladies play hole 12 as a par 5 and therefore gain a shot on that hole.

Before you commit to playing in this medley event, please make sure you are available to play in all of the next 3 rounds.

Club Championships: (Mens, Ladies and Juniors) Two stroke qualifying rounds will determine the best 4 gross aggregate scores in each grade/division. These top 4 qualifiers will play knockout 18 hole matchplay (off the stick) over the next 2 Saturdays. If a match is square after 18 holes, play will continue until player is one up.

Monthly Medal Final: (Mens, Ladies & Ladies Mid-Week) For all Monthly Medal Finals, in the event of a tie, the normal Count Back System is used to determine the Winner of the Monthly Medal.

NORMAL WEEKLY PLAYING ROSTER

Tee times from 6:30am to 8:00am (the morning field) and from 10:30am to 12:00noon (the afternoon field), sheet available in the Club House. (times may vary slightly between the Summer months and the Winter months. No social play until approx 3:00pm.

Sunday:- The Sandgate Golf Club hosts a number of Social Clubs that play throughout the year. Depending on numbers, social play should be available from about 10:00am. Normally in July/August the Club may also be involved in the Men's Pennants matches. When these are on and played at Sandgate, there would be no Social play until approx 2:00pm.

Public Holidays:- On many of the Public Holidays through the Year, the Club holds what we refer to as a Project Day, these are usually 4 Ball Ambrose styled events, we try to have 2 groups of 4 players teeing off from each hole in a Shot Gun Start at 8.30am. Starter Sheets are displayed about a month in advance, get your groups names down early and come along and join in the fun.

Monday:- Sandgate Veterans Group - 7:15am Shot Gun Start, starters sheet issued a couple of weeks in advance and available in Club House. Social play from about 11.00am.

Three-eighths combined stroke handicap. Both play from the tee and decide which ball is to be played alternately for the remainder of the hole.

American Foursomes:

TIMESHEETS

DEAR MEMBERS,

For many years, Sandgate Golf Club has collected the names of members wishing to play in competition by providing 'tee off' timesheets.

As new members join our club, we introduce them to the practice of physically visiting the timesheet table to write their names in the available places to register their interest to play. Recently concerns have been raised about the actions of some members in this process.

1 It is the responsibility of each player to actually write their name on the time sheet. If your name is placed on the timesheet by a member of your playing group or someone else it is done with your permission and you are responsible to take up that position. Failure to turn up without notification of withdrawal denies other members an opportunity to play and choice of a playing time.

2 If the timeslot you want is taken you have no right to delete / change someone else on the sheet. Peter Coddington has managed and undertaken negotiations for desirable time slots in the past but it is not his responsibility and his effects to accommodate should not be taken for granted.

3 In Saturday competition there are quite a few groups who regularly play at the same timeslot. This is because they have undertaken the player's responsibility (or at least one of the players in the group) to put their name on the timesheet once it becomes available (about 3 weeks ahead). It should be understood that the regular timeslot that you have is not guaranteed if there is a failure in being first to register before someone else.

4 Sandgate Golf Club has reserved for members the competition times to 11am Mondays to Thursdays and Saturdays to 3pm. This is done so members have the opportunity to play competitions without social players on the course. Please understand if you select a tee off time later in the time allocated to members or play slow so your tee off on the 10th tee is outside the reserved member time, you will need to be tolerant to the paying social players on the course.

5 Members are reminded about manners and etiquette. If you have your name down in a timeslot to play, you should be arriving at a reasonable time to pay the competition fee, collect your card and meet up with the other members playing in your group. If your group has not assembled (a player is missing) and other groups are ready with the way clear, it's reasonable and right to allow them to tee off first. No group should be teeing off before the allocated time if a member of that playing group has not arrived.

The 'opening up' volunteers and the clubhouse staff lead by Peter Coddington have worked to manage the member competitions and the important social golf business. Your appreciation and taking simple responsibility for the management and notification of your own playing times would assist them in the management of the club.

Yours faithfully
Cameron Boal | President
